

Standard one: Child protection, safety and security

Sample framework for the designated safeguarding lead report to the governing body

School: *[insert name here]*

Designated safeguarding lead: *[insert name here]*

Designated safeguarding governor: *[insert name here]*

Date: *[insert name here]*

1. Management of safeguarding:

1.1 Overall statement on the quality of safeguarding over the last 12 months, based on the Ofsted descriptors for inspecting safeguarding:

- How the school's safeguarding arrangements meet statutory and other government requirements;
- How the school works to raise awareness and keep pupils safe from the dangers of abuse, sexual exploitation, radicalisation and extremism and what the school does when it suspects pupils are vulnerable to these issues;
- How the school ensures staff have an understanding of issues including radicalisation and extremism, sexual exploitation, domestic violence, female genital mutilation (FGM), forced marriage, substance misuse and gang activity

1.2 Outcomes of the school's priorities for safeguarding:

- What progress has been made in terms of actions/developments identified over the last 12 months?

1.3 The role of the designated safeguarding lead:

- How the designated safeguarding lead has contributed to multi-agency processes in the last 12 months
- Number of child protection conferences attended

1.4 Staffing and resources:

- Time, support and resources allocated to fulfil the designated safeguarding lead role

1.5 Complaints:

- Briefly describe any complaints relating to safeguarding and the outcomes.

2. Pupil Profile (do not give individual pupil details)

2.1 Child Protection Profile:

- Number of child protection concerns referred to the designated safeguarding lead
- Number of child protection concerns referred to the local authority by the designated safeguarding lead
- A brief description of outcomes of the above referrals

2.2 Early Identification of vulnerable pupils:

- Number of referrals made for early help in line with local procedures

2.3 Provision for pupils where there are safeguarding concerns:

- Provision made for pupils who are identified as vulnerable or at risk – curriculum or interventions provided; use of pastoral support; specialist referrals e.g. counselling, child and adolescent mental health service (CAMHS), young carers etc;
- Use of the Pupil Premium
- Groups set up in school to support emotional or social development
- Numbers of pupils referred to external agencies (list the agencies the school has engaged)

3. Training:

3.1 Designated safeguarding lead training:

- Details of training attended by designated safeguarding lead in the last 12 months

3.2 Staff training:

- Safeguarding training attended by staff or provided to staff in the last 12 months. Include any online training
- Details of any identified safeguarding training needs or opportunities

4. Future priorities:

- The school's priorities in safeguarding over the coming 12 months
- Any initiatives to improve safeguarding over the next 12 months
- Any incidents in the previous 12 months which necessitate a change on policy or procedure
- Date of the next planned review of the safeguarding policy
