Online referral form changes

Our online referral form is changing. Our goal is for Wakefield CAMHS to be inclusive, accessible, and responsive to our children and young people needs in our communities so we have reviewed our referral form with colleagues and young people who use our services.

Our new form goes live from the **24 November 2025**; you can still use the old form online until then.

You can find the referral form on our Trust website on the service directory page. southwestyorkshire.nhs.uk/wakefield-camhs-online-referral-form/

You can call our current telephone number 01977 735865 until 9 December. If you need support to make a referral a member of the admin team at the Wakefield CAMHS single point of access can help.

Letters no longer to be accepted

We won't be accepting letters as a referral from 24 November 2025, we can only accept referrals via the online form or over the telephone.

There is a new Wakefield CAMHS criteria and decision tool on the webpage, you decide whether Wakefield CAMHS is the right service for you or the child or young person you wish to support in getting help.

You can also find helpful up to date information about our services and other local mental health services on our service directory page:
