Online referral form changes

Our goal is for Wakefield CAMHS to be inclusive, accessible, and responsive to our children and young people needs in our communities so we have reviewed our referral form with colleagues and young people who use our services.

Our new form went live on the 24 November 2025. You can find the referral form on our Trust website on the service directory page. southwestyorkshire.nhs.uk/wakefield-camhs-online-referral-form/

Our old number 01977 735865 is no longer in use. If you need support to make a referral a member of the admin team at the Wakefield CAMHS single point of access can help.

How to refer

We can only accept referrals via the online form or over the telephone.
